Tapes

Due to advances in modern technology we are gradually phasing out our **tape** recording service.

However, tapes of most services at Gilcomston are available to purchase or hire. Tapes cost £2 to purchase or 30p to hire, with a small sum added to that for postage and packaging.

Hiring

If you are able to collect your tapes from church, please order your tapes at the Information Point.

If you wish your tapes posted to you, we can send you one, two or four in a packet. We request that hired tapes are returned to us within a month of receipt. We can send tapes to you weekly, fortnightly or monthly.

Payment in advance is appreciated.

Purchasing

If you wish to purchase tapes in bulk, these must be paid for in advance. Tapes will be sent out once we have received the appropriate payment.
