Mark 6:7-13

Tea

What would you say are the “do’s” and “don’ts” of evangelism?

Task

Read Mark 6:7-13 :- what are some of the lessons we could learn about how we share the gospel with others?

Target

Takeaway

We should:

- (1) Cultivate a simple lifestyle to avoid becoming enamored by the fleeting things of this world.
- (2) We should depend on God rather than on our own talents or resources.

The command to stay in one home in each town is a reminder that we are not to show partiality in Christian ministry. Rather, we are to treat others equally, regardless of their social status, ethnic identity, wealth, or influence.
