Mark 5:21-43

Tee

Is the Bible for or against women? What would be some examples from the Bible that would support your position?

Task

1. Look at verses 34 and 36 - what, do you think, is the main theme shared between the 2 events?
2. Look at verses 22 and 25 - what, do you think, is the main contrast between the 2 main characters and what does the contrast teach us about Jesus and his kingdom?
3. Read the following verses: 23;25;34;35;42. There are 3 compelling parallels between the 2 stories seen in these verses - what are they and what do they show us about the kingdom of God?
